

Ammar Algburi

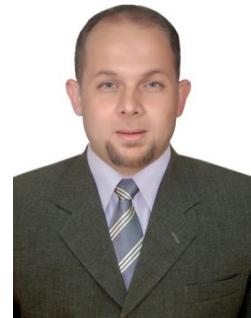

Ph.D. in Microbiology

Diyala University,

Old Baghdad Rd,

Ba'aqubah, Iraq 32001

Tel.: 009647705207111

ammaralgburi@sciences.uodiyala.edu.iq

EDUCATION

October 1999 - October 2004 B.A. in Veterinary Sciences	College of Veterinary Medicine, University of Baghdad, Iraq. The final grade average was (GPA 3.00, 85.88%), ranked as the 2nd of 216 students.
October 2005 - October 2007 M.Sc. in Medical Microbiology	College of Medicine, Microbiology Department, University of Baghdad, Iraq. The final average was (GPA 3.00, 81.1%).
August 2011- October 2016 Ph.D. in Microbial Biology	Microbial Biology Department, School of Environmental and Biological Science, Rutgers University, New Brunswick, NJ, USA., (GPA 3.7, 93%)

RELEVANT COURSEWORK

Microbial Life, Microbial Biochemistry, Applied and Industrial Microbiology,
Scientific Ethics, Microbial Ecology and Diversity, Microbial Physiology and
Advanced Genetic and Molecular Biology.

EXPERIENCE

- Teaching microbiology courses and advising undergraduate and graduate students of Diyala University, Iraq.

- Senior of Health Promotion Natural Lab. 2013 – November 2016/ Rutgers University-Food Sciences Building Rm#213A, New Jersey, USA
- Supervising and training tens of undergraduate and graduate students who are interested in microbiological research.
- Teaching and communicating with undergraduate students of Rutgers University, New Jersey, USA
- Promote a positive environment for the student making them love what they are doing.
- Worked as a vice head of biotechnology dept. for 4 months.
- Reviewer for 3 scientific journals; *Probiotics and Antimicrobial Proteins, Applied and Environmental Microbiology, FEMS Microbiology letters, Diyala Journal of Pure Science.*

Positions Held

October 2009 - April 2011	Teaching Assistant in College of Sciences, Biology Department, Diyala University, Iraq.
April 2011 - August 2011	Teaching Assistant and vice director of Microbiology Department in College of Veterinary Medicine, University of Diyala, Iraq.
April 2013 -November 2016	Senior of Health Promotion Natural Lab., Food sciences Building, Rutgers University-New Brunswick, NJ, USA.
November 2016- September2019	Lecturer in Biotechnology Department, University of Diyala, Ba'aqubah, Iraq
September 2019- Present	The Director of Scholarship and Cultural Relations Dept., University of Diyala, Iraq

SKILLS

Technical: Microsoft Office (Word, Excel, Access, PowerPoint, SigmaPlot)

Languages: Speaking, reading and writing both Arabic and English.

Research field: Probiotic, Natural derived antimicrobials, Biofilm, Nanobiotechnology.
